A NOTE FROM DOUG

I want to start this note by saying thank you.

It is a great honour to continue to represent Barrie—Springwater—Oro-Medonte. I will continue to support all of the residents of BSOM, and continue to advocate for the issues that matter to you at Queen's Park as your MPP.

A NOTE FROM DOUG

I am so excited to get back to work for the riding. We have made great strides in the last four years in Barrie—Springwater—Oro-Medonte and across Ontario. Locally, we repaved a damaged sidewalk and installed a badly-needed crosswalk in Hillsdale. We successfully advocated for a rebuilt Shanty Bay Elementary School. We secured almost \$30 million for a new, state-of-the-art YMCA facility in Barrie. At the provincial level, we made life more affordable for seniors by eliminating the co-payment for prescription medication. We created the conditions necessary for car manufacturers GM and Stellantis to invest in Ontario again. We delivered unprecedented modernization to the judicial system with three different bills.

The next term promises to be a challenging but gratifying few years as we embark on a journey of rebuilding the economy, supporting workers, keeping costs down, and investing in key infrastructure.

Thank you for your trust in me, and remember that my door is always open for your questions, concerns, ideas and suggestions. Please don't hesitate to contact my office; we'll be happy to help.
